RELEASE AGREEMENT

I am over 18 years of age and want to play airsoft and sign this document in consideration of being given the opportunity to engage in the activity. All information supplied is to the best of my knowledge correct and without any false representation as at the date this document is signed. The minimum age to play airsoft at Sabotage Paintball Limited is 12 years of age (or 11 years of age if in year 7 at secondary school). Children under 14 years must be accompanied by an adult of at least eighteen.

I UNDERSTAND, AGREE AND CONFIRM THAT

1. The airsoft event I have booked in for may be physically demanding if I am pregnant, have a weak heart, or suffer from any medical condition I should consult a medical doctor before taking part.
2. The game of airsoft can be dangerous if not played in accordance with the rules, which I have read and fully understand. If I have not read the rules I will ask to see them before playing. Sabotage Paintball will also ensure that a verbal briefing of all safety rules will be given to every player on the day before play commences.
3. The possibility of injury to myself and others exists. I understand that airsoft is an active sporting game involving the elimination of opponents via the firing of 6mm BB pellets from an airsoft gun. I recognise that there are hazards on site; fallen trees, dead branches, sharp objects, holes etc and that pellets fired from guns may bruise or break skin.
4. I am fully aware of the risks to myself and others involved in playing and that I will NEVER under any circumstances remove my goggles, except in designated SAFE ZONES AND SAFE AREAS.
5. I am physically fit and mentally able to take the strain and exertion involved in playing airsoft.
6. I will comply with all Sabotage Paintball Limited rules and regulations and use my equipment responsibly and not so as to injure or hurt others, and will obey all directions and instructions from the event staff. If I am judged to be acting in a manner which may propose danger to myself or others, I may be expelled from the venue and understand that I will not be entitled to any refund.
7. All guns are used in accordance with Home Office guidance and must carry a CE approval mark.
8. Chronographing of guns must be undertaken before each game day, and randomly during games.
9. Sniper rifles must be bolt action only – NO GAS SNIPERS. All participants with sniper rifles must carry a secondary gun which must be used if the target participant is within 30 metres.
10. All equipment is in good condition and is maintained and operated in accordance with manufacturers recommendations.
11. The use of blank firing grenades and pyrotechnics is permitted on the basis that you declare your intentions to use such items, they are checked by Sabotage staff prior to use to ensure no modifications have been made, they are thrown underarm only and should not be retrieved unless used in a room controlled by you and/or your team, otherwise until after a game has ended.
12. All participants must wear protective clothing (a minimum of goggles, facemask and clothing which fully cover all limbs).
If you do not wish to wear clothing that does not cover exposed skin on signing this form you state that you are aware of the risks of exposing bare skin within an airsoft gaming environment.
